- E) Taxes. Agent specifically recognizes its responsibility for payment of any applicable taxes levied by Federal, State or local authorities as a result of compensation arising hereunder.
- F) Situs. This Contract is made in Austin, Travis County, Texas. The parties agree that any action at law or in equity hereunder shall be brought in Travis County, Texas, and that the laws of the State of Texas shall govern any dispute arising hereunder. If Agent should move its offices it will notify the Company of such relocation.

If a party is authorized or required to perform some act within a specified period of time and said act is triggered by written notice required in this Contract, the period of time shall not commence to run until the party who is entitled to receive said notice has actually received said notice. If the party sends a certified mail, return receipt requested, to the other party at the address set forth above or as otherwise specified by said party, it shall be presumed that the notice has been received within three days of mailing of notice by certified mail.

- L) It is the policy of Texas Service Life Insurance Company for any agent representing or selling a combination of our Series 1, Series 2 or MIB products to assess the need of the client and to discuss the advantages and disadvantages of each product with the client, thereby allowing the client to make the decision that is right for them. This is IMPORTANT because the Company wants to prevent potential unfair discrimination between clients. By signing on page 4, Agent accepts the above policy and agrees to abide by its requirements.
- M) Agent acknowledges the importance in complying with any and all State and Federal laws pertaining to telemarketing and agrees that it is Agent's responsibility to comply with these laws. In the normal course of business, the Company shall deliver and divulge to Agent all or a significant portion of its important, material and confidential information. Agent hereby acknowledges and affirms that Agent shall receive such information in the discharge of Agent's duties under this Contract.
- D. Company Property. Such remedies shall not be deemed the exclusive remedies for breach of this Contract, but shall be in addition to all other remedies available to the Company at law or at equity.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** The IRS has created a page on IRS.gov for information about Form W-9, at [www.irs.gov/w9](http://www.irs.gov/w9). Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Or: 3, 5, 7, 10 PAY \_\_\_\_\_ % advance per of month for 12 months \_\_\_\_\_ %

**IMPORTANT:** THE COMPANY RESERVES THE RIGHT TO PAY A REDUCED ADVANCE SCHEDULE ON CONTRACTS WRITTEN ON RELATIVES OF THE AGENT, OTHER AGENTS, SIGNIFICANT OTHERS, MINORS, OR ANY OTHER PERSONS WHO, AT THE SOLE DISCRETION OF THE COMPANY, MIGHT BE CONSIDERED TO HAVE A GREATER THAN NORMAL RISK OF LAPSING.

**RESERVE ACCOUNT (Applies to PreNeed Commission Only):**

A Reserve Account will be set up for the agent by the Company. The agent will contribute a % of each commission, equal to 1.0 minus the advance percentage shown on the SCHEDULE OF PAYMENT OF COMMISSIONS, earned pursuant to the Field Agent Contract with the Company to fund the reserve account. The reserve account will be debited for any commission chargebacks, agent debts to the Company or miscellaneous expenses of the Company for which it is due reimbursement from the agent.

(1) Once the Reserve Account reaches a level of \$ 10,000\* (Standard Maximum Reserve) then the Agent will begin receiving advances at the rate of 100 % until the time that the Reserve Account falls below the Maximum Reserve, at which time the advance percentages will revert to those shown in the Advance Schedule above.

(2) Should either of the following occur: (1) termination of appointment of the agent by the Company, or (2) termination of the Agent Contract between agent and the Company, the reserve account may be held by the Company for a period of up to twenty four (24) months from the date of termination of (1) or (2), above, whichever date is later. Once the (24) month period has expired, the Company will pay the former agent the remaining reserve account balance upon receipt of written request for payment by the agent to the Company.

(3) Transactions that may affect reserve balance include but are not limited to: chargebacks, early payoff of a policy, changing terms of a policy, policy rewrites, and death claims.

**PRENEED COMMISSION CHARGEBACKS (Applies to PreNeed Commission Only):**

- (1) Commissions are not earned on policies that are returned to the Company and voided.
- (2) The Company will recover from the agent 100% of any commissions paid to the agent on a policy if, within the first 12 months of the policy period, the policy is:
  - (a) lapsed for nonpayment of premium due; or
  - (b) surrendered for the cash value; or
  - (c) paid by reason of death other than by accidental death of the insured. The determination of accidental death will be made by the Company. For the purposes of this agreement, accidental death is defined to be any death that occurs within 90 days of an accident and results directly from accidental bodily injury.
- (3) Additional transactions that may affect chargeback balance include but are not limited to: early payoff of a policy, changing terms of a policy, and policy rewrites.
- (4) Should agent be terminated by the Company any chargeback that occurs following the termination date may be subtracted from the reserve balance of the agent by the Company at any time.
- (5) As determined by the Company at its sole discretion, chargebacks will be subtracted from (1) any commissions due and payable to the Agent, (2) the Agent's Reserve Account, and/or (3) any deferred commissions due Agent.

By signing Agent Agreement, Agent agrees that he/she will immediately repay to Company any and all chargeback balances due Company whether or not Agent is terminated or continues to be appointed by the Company.

**NON-PAYMENT OF COMMISSIONS:**

No commissions will be paid, on a given policy that are remaining due at the time the policy is:

- (a) lapsed for nonpayment of premium due; or
- (b) surrendered for the cash value; or
- (c) paid by reason of death other than by accidental death of the insured. The determination of accidental death will be made by Company. For the purposes of this agreement, accidental death is defined to be any death that occurs within 90 days of an accident and results directly from accidental bodily injury.

**COMPANY RIGHTS IN THE EVENT OF TERMINATION OF FIELD AGENT CONTRACT:**

In the event that this Field Agent Contract is terminated for any reason, the company shall have the right to withhold the payment of any commissions due Agent for a period of two (2) years from the date of termination in order to offset chargebacks due the Company on policies written by the Agent.

In addition, the Company shall have the right to subtract from the Reserve Account, commissions or any other monies due Agent under this contract any and all reasonable charges for any Contract Folders, Preneed Funeral Contract forms and individual Insurance Application forms, and ONE HUNDRED DOLLARS (\$100.00) for each Sales Portfolio/Kit not returned to the Company within ten (10) days of the date the Field Agent Contract is terminated.

**ACCUMULATION OF COMMISSIONS:**

Commissions will be accumulated by the Company and will not be paid to Agent until the balance owed by Company to Agent equals or exceeds the amount of \$25.00.
